Newbold Verdon Medical Practice and Market Bosworth Surgery: Our Appointment System is Changing from the 1st of February 2026

The way patients request appointments at Newbold Verdon Medical Practice and Market Bosworth Surgery is changing to make it easier and fairer for everyone. Instead of being booked straight away when you call or visit, you'll now submit your request through our Online Message System—either on our website, through the NHS App, or via a link sent to your phone. Each request goes into a virtual queue, and a doctor will review it to decide the best way to help you, whether that's a phone call, a face-to-face appointment, or advice you can follow at home. This new system ensures everyone is treated equally, and you'll get clear information about when and how a clinician will contact you.

Quick note corner: Are Your Details Up To Date?

Keeping your NHS record up to date with your latest details is imperative. If your address, name, number or email has changed, you must inform your practice as soon as possible.
