All the poorly teddies may need a bandage or a plaster to make them feel better... Will you help them?

**Need help with the NHS App?**

The team will be able to assist you with setting up your NHS account.

It's normal to experience some technical difficulties with the NHS App if your GP surgery is changing clinical systems or merging with another practice.

If you encounter any technical issues after these changes are complete, please contact the NHS App Team.

**Do more with the NHS App!**

- Order repeat prescriptions
- Use NHS 111 online
- Find NHS services
- View your GP health record
- Book appointments
- Get reminders and messages

And much more...

You can also use these services by logging in through the NHS website

*Young Carers Support*

A young carer or young adult carer those under the age of 18 who look after someone in their family or a friend who is ill, disabled, or has a mental health problem or an addiction.

As many as one in five pupils in the UK could be a young carer.

One of our Senior Pharmacists will be joining us on Monday 5<sup>th</sup> August 11am-1pm.

They will be available at the stand to provide advice for a range of health problems.

Advice and information will be available regarding Childhood Immunisations.

Our Social Prescribers connect people to community groups and agencies for practical and emotional support.

They complement other approaches such as care navigation and active sign-posting, helping patients in difficult social situations get the help they need.
